

## Youth Bus Update – January 2019

**Happy New Year and welcome to the first Youth Bus newsletter of 2019.** We had a busy festive season with sessions taking place in villages across the district and we also ran some special Christmas activities which are featured in this edition. We are now planning ahead for the year so do let us know if you would like bus sessions in your village or are planning events to take place over the summer as we would love to be there!

**Happy  
New Year!**

### Jingle Bells on the Youth Bus!

We ran some festive sessions in December at Westlands in Droitwich to bring Christmas cheer to families and young people.

By working with Fortis Living and DAFFY (the local youth provider) we hosted arts activities on the bus. The excellent craft skills of the young enabled holly wreaths and Christmas decorations to be made to go on the Christmas tree that was illuminated on the 21 December. As part of the celebrations Santa made an appearance on the bus as it was transformed into a grotto with a log fire and giant snowmen. We had over 50 people turn up to support the event, and really great feedback from children and parents.

A big thank you to everyone involved, especially Tracy Grubb at Wychavon, and also to Santa for dropping by!

*'Thanks for making it a special Christmas'*

*'More flashing glasses please!'*
