

*To Ombersley & Doverdale Parish Council*

As we march forward into 2019, the Ombersley Dementia Action Alliance Steering Committee sends you greetings and thanks for being a part of our efforts to maintain Ombersley's dementia friendly village status. We hope you have found working on your agreed actions to recognise and help individuals and families touched by dementia both rewarding and enjoyable.

You may be aware that there is now an established community not-for-profit tea and coffee shop twice monthly at the Ombersley Memorial Hall. Everyone is welcome for refreshments and a chat.

Also, work is well advanced on the Memory Garden at Ombersley First School. A launch event is planned for later in the spring. Do watch the Parish magazine and notice boards for more information on both initiatives.

We hope the Ombersley & Doverdale Parish Council has a fruitful and successful New Year.

Kind regards  
Frank Cody  
for the Ombersley DAA Steering Committee
